

CAMP ATIENZA FLOODED DUE TO "TYPHOON ONDOY"

Extreme floods affected parts of Camp Gen Rigoberto J Atienza the home of 51st Engineer Brigade, PA due to unrelenting rains brought about by tropical storm Ondoy . Despite that the camp was bordered by riprap stone against the Marikina river, it wasn't able to spare itself the brunt of mother nature.

The damaged facilities are as follows; WAC Quarters, Deputy Commander's Quarters, Office of the Command Communication, Electronics and Information Office (G6), the Officers' Club House, and BOQ. The estimated cost of the damaged facilities and equipment was P1. 8M.

CAMP ATIENZA DURING THE TYPHOON ONDOY

So far, the brigade, continuous its efforts to repair and rehabilitate its affected facilities.
